From our GCPEA President!

I want to wish you a warm Welcome to this school year! After a hot Summer filled with laughter, visits with family and fun times with friends, we are ready to get back to class at Glendale College Parent Education. I am delighted to lead a great new Board, and look forward to the adventures we will have this coming year!

This year will mark my fourth year in the program. My Oldest attends the Working Parents class with my husband (it is his second year attending) and I get to take classes with my 1-year-old son, which I started around the same time as my first. I have always enjoyed sitting down, leaving

my phone/distractions aside and just observing my child while I get to have adult conversations, too!

I hope you had a chance to check out our new and improved website: www.gcpea.org. The site will be updated, along with our Facebook and Instagram accounts; follow GCPEA. We had our first event, "Paint Night," in September and our Association meeting, October 5th.

Our Harvest Hoedown event is loads of fun! It's a great way to support the program and help build our community! We also participate in the Montrose Parade and have our Direct Donation fundraiser happening throughout the whole school year. Our biggest event and fundraiser is our Spring Luncheon in May. Our program is turning 65!!! You should definitely attend this year!

I look forward to seeing you all throughout the year. If you have any questions, suggestions, and comments, please share them at president@gcpea.org, and/or feel free to attend our Association meetings.

Welcome to the...

Glendale College Parent Education Association (GCPEA)!

Hey Dad's, Mom's, Grandparent's, and Caregiver's!

Here's a reminder to you all, that as Glendale College Parent Education students, you are ALL part of the GCPEA!

For those that don't know, the GCPEA makes decisions on program fundraisers (like the Spring Luncheon), enriching student activities (like Parent Paint Night), and fun community activities (like the Harvest Hoedown)!

During the Live Auction at the Spring Luncheon.

As students, and members, you all have a "say!" If you're interested in joining the board, please come to one of our Association Meetings, which is usually the first Wednesday of every month, at

5:30 in the Lifeskills Building.

Joining the board is a fantastic thing to do, if you ever plan on joining a committee or group, like your child's school's PTA!

If you want to get involved and get connected, please come and take a look at how we "run" things, and see if the #CommitteeLife (ha, ha!) is right for you!

Thank you to ALL the new board members this year, and to all the RETURNING board members; we are so lucky to have such a full board, this year! Thank you, to ALL our new Class Representatives, and Class Reporters!

To all the "retired" board members: For all your fantastic, tireless

Parent Paint Night 2016

work, each one of you cannot be thanked enough! The pictures below, are just a glimpse into how amazing you all are! Lastly, a very special "Thank You," goes out to former PEPOR Editor, Diane Grigsby! Your SIX YEARS of phenomenal service, are Mighty Large "shoes to fill," indeed...I'll do my best!

With all my gratitude and excitement,
~Anya Marshall, PEPOR Editor

This event is sponsored by the Glendale College Parent Education Association.

A Gentle Reminder:

Mary Had A Little Cold

Mary had a little cold, but would not stay at home..
and every where that Mary went, the cold was sure to roam.
It wondered into Molly's eyes and filled them full of tears.
It jumped from there to Bobby's nose, and then to Jimmy's ears.

It painted Annie's throat Bright Red and swelled poor Little Johnny's head.

Dora had a fever, and a cough put Jack to bed.
The moral of this little tale, is very quickly said:
Mary could have saved a lot of pain,
with just one day in bed!

Keep Me Home If...

Seattle-King County
Department of Public Health

When Your Child is Sick:

1. Have plans for back up child care.
2. Tell your caregiver what is wrong with your child, even if your child stays home.

READING at Home with Your Child

HERE ARE A FEW TIPS AND IDEAS TO HELP CULTIVATE A LOVE OF READING AT HOME!

- Let them hold the book as you read
- Allow them to turn the pages
- Invite them to read with you
- Let them finish the sentences if reading with you
- Point to the words as you read so they associate words with reading
- Model reading in front of your child
- Go to the library
- Encourage them to read the pictures and talk about them
- Read the same 2-3 books every day for a week, then switch.
- Read to them daily
- Designate a "reading time" where the whole family sits down to read
- Allow them to choose books
- Talk about the books after reading them
- Be excited about reading with your child. It's contagious!
